EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

1. This Office Action is responsive to Applicant's Amendment filed on 10/11/05. Claims 7 and 26 have been canceled accordingly.

2. Claims 1-6, 8-9, 18, 20-25 and 27-30 are allowed.

3. The following is a statement of reasons for the indication of allowable subject matter:

The independent claims 1 and 29 were indicated allowable. Claim 20 has been amended to include the allowable subject matter in claim 26.

The prior art of record does not disclose or render obvious a motivation to provide for a drive axle assembly as defined by the limitations of claims 1 and 20, including a differential assembly module secured to a flat central plate section of a support beam member, a cover member fastened to the flat central plate section, at least one of axle shaft members extending from the differential assembly module through at least one access opening of the cover member, an adjustable sealing provided on the at least one access opening and being adjustable relative to the cover member.

The prior art of record does not disclose or render obvious a motivation to provide for a drive axle assembly as defined by the limitations of claim 29, including a differential assembly module including a differential carrier member secured to a support beam member, a cover member fastened to the support beam member, at least one of axle shaft members extending from the differential assembly module through at least one access opening of the cover member, an adjustable sealing provided on the at least one access opening and being adjustable relative to the cover member.
